PUBLIC COMMENTS:

ACTIVITY REPORT – DECEMBER 2014
COUNTY OF SULLIVAN INDUSTRIAL DEVELOPMENT AGENCY

November 24, 2014

The IDA held its regular meeting on November 18th and a reconvened meeting on November 25th. At those meetings the Board discussed the progress of the Red Meat Facility and their recommendation to the County Legislature to appoint Paul B. Guenther to fill the vacant position on the Agency Board. The recommendation will be forwarded to the Legislature for their review. At the reconvened meeting the Board approved a request by Griffin American/NorthStar (Crystal Run Healthcare Project) to approve a merger and a mortgage on the project, with no mortgage tax abatement granted.

In November, work continued on the Red Meat project in the Village of Liberty. A bid for the electrical work was awarded. Delivery of the facility building is expected in December with construction work estimated to be completed early in 2015. Work continued on drafting the request for proposals for operation of the facility, and networking with potential operators to generate interest. Staff continues to monitor all grant requirements and track the overall project budget.

IDA staff began working on sending out the first PILOT bills, and information needed for the FY 2014 PARIS report is being accumulated, including employment numbers. Work to facilitate the agency's 2014 audit has also begun.

Regarding the Food Hub project, Ginsburg's Food has been making option payments on the Bridgeville building, and the firm is continuing to evaluate the site.

With respect to other agricultural economic development programs and initiatives, IDA staff continues to attend monthly meetings of the Sullivan County Legislature's Ag Advisory Board (AAB). Staff also attends monthly meetings of the AAB's farmland protection planning subcommittee and also assists the Sullivan County Planning Division in its development of a local dairy processing facility.

The Agency worked with several small businesses regarding IDA and SCFC loan programs.

Jennifer CS Brylinski
Jen Flad

Report to Legislature November 2014

A. General Operations

1) Casino Update

- Announcement may take place on Dec 17, the last siting board meeting, or shortly thereafter.
- No other information has been released to date.

2) Internal/External Marketing –

- SCP has begun a membership drive geared to increase membership, sponsorship revenue and continue to add to the diverse makeup of the organization. Financial, intellectual, and regional expertise is critical to the ongoing improvement and delivery of SCP programs and services. We expect 2015 to mark the start of an acceleration to that end.
- **WEDA** – we are continuing our relationship with the World Economic Development Alliance. In 2015 we will be heavily engaged in developing leads, working closer with their offices and staff to make the case for doing business in Sullivan County.

3) Community Outreach – a membership appreciation event will be taking place on Dec 11 at 5:30PM at Albella's Restaurant. Of course all legislators are welcome to attend. No big speeches or program...simply a celebratory networking occasion to thank our membership and economic development partners. No fee.

B. Project Updates

a. Corporate Attraction

- We have met with an upstate wholesale distribution company seeking 50,000 sq. ft. space to serve the metro to Albany market. An existing facility, the only one of the size that met the basic criteria, was shown. Discussions with facility owners and the prospect have begun as there is genuine interest. *Update: Due diligence phase.*
- We have been approached by a firm the produces Hydro-Coils for Hydro electric applications. The firm has looked at an existing building and has genuine interest in 10,000sq. ft. The firm will require 35 jobs to start and ramp up to 100 by year three. Negotiations are underway with facility owner. *Update: Due diligence and financing development.*
- A local business man is in the process of purchasing a spark plug manufacturing business and will be relocating it to Sullivan County. The business is a 100 year old firm and currently produces for the wholesale market internationally. The new owner plans to introduce a consumer division which will create many more jobs than the five it now requires and more expansion investment as well. *Update: Developing business plan and final financing.*

- We are in discussions with a New York City chef interested in establishing a chocolate factory in Sullivan County. He has been touring several hamlets as part of his due diligence. The gentleman has ties to the area. Update: Two areas have been toured, Livingston Manor and Hurleyville. A business plan is being developed at this time based on where the prospect will ultimately choose as a location. Update: NTR
- We have met with an NYC producer of Healthy Fruit juices. They are looking to establish a processing facility in Sullivan County. May be a start up NY candidate.

b. Small Business/Entrepreneurial Development

- The Partnership Revolving Loan Committee has approved financing for two applicants. The first is Riverside Remedies Rx in Callicoon. It will be a pharmacy with gifts and incidentals to serve to greater Callicoon area which has not had a pharmacy for approximately 10 years. The Second is an expansion project at Apple's Small Engine in Liberty. The firm has enjoyed tremendous activity and is preparing to add new lines and winter-based products.
- IWW funds available \$156,210 There are currently 9 loans within this program:
- SI funds available \$ 75,585 There are currently 11 loans with this program:

c. Business Expansion

- NTR

d. Shovel Ready Sites

With several owners interested in further exploring opportunities, we are now conducting research into other areas of similar demography that have successfully completed their respective sites as well as a framework for execution, funding and other parameters needed to move this initiative forward. There is much we can glean from this effort. In addition we are canvassing our region for other sites with which we will be competing to examine a just what level of readiness they are relative to what we should be doing.

e. Cluster Development

We have met with an additional spirits producer from the lower Hudson Valley interested in locating to Sullivan County. They are distributing in 9 states and growing. The development of a spirits and adult beverage cluster continues to evolve. We will be monitoring this circumstance for continued expansion, tourism and ancillary business development opportunities.

f. Membership Education

The 2nd Annual SEQRA Conference planning and coordination is well underway. The agenda as well as speakers are in place. We are now in the process of gathering presentations to submit to the relevant education boards for continuing education credit approval.

- ❖ In partnership with Sullivan Renaissance and Bethel Woods, presented a seminar on November 5 aimed at high school students and focused on the value of internships, community service and employment. The CWD portion spoke to the youth about how to identify the skills they learned and how to talk about their experiences to potential employers.
- ❖ The Youth Entrepreneurship Symposium developed by Rural Migrant Ministries’ Youth Economic Group (YEG) was held November 7 at the college. The one day event brought students and adults together to talk about youth entrepreneurship opportunities and worker cooperatives. Students from Liberty, Monticello and Fallsburg schools participated in a challenge to create new venture opportunities that they will then pitch to a panel of judges. The team that won received \$500 scholarships to SCCC.

- ❖ Member of a statewide workgroup that looked at the new Workforce Innovation and Opportunity Act (WIOA) legislation. This group examined and discussed each section and developed a set of recommendations that have been sent to the Assistant Secretaries of the US Dept. of Labor and US Dept. of Education. This is prior to draft regulations being issued in January 2015. In addition, the recommendations have been forwarded to the NYSDOL and the NYSED. The new legislation is effective July 1 2015.
- ❖ Meetings:
 - 10/28 – MCS Academy of Finance Breakfast
 - 10/31 – REDC Workforce Committee
 - 11/5 – REAP Board meeting
 - 11/21 – Non-Profit Summit Steering Committee
