

## About Us

There is no better time than NOW to make a difference in your community by volunteering your time. With RSVP you can use and share your skills, talents, and life experiences, or develop new ones in a variety of volunteer activities while serving your community. We are recruiting adults aged 55 and over for RSVP as part of the AmeriCorps Seniors program, to volunteer a few hours each week to help neighbors throughout Sullivan County.

The RSVP of Sullivan County AmeriCorps volunteers choose how, where, and when they want to serve, with commitments ranging from a few hours to 40 hours per week. We can find an opportunity for you with one of our many participating not-for-profit partners.

## Benefits

- ✓ Create new friendships and become involved in your local community. Many of our RSVP volunteers develop a deeper sense of purpose and make lifelong friends with their fellow volunteers!
- ✓ Improve your physical and mental well-being. A recent study shows people who volunteer are less likely to develop high-blood pressure. Volunteering with RSVP is a fun way to get active and stay sharp while making a genuine difference.
