Hours	79

Course Description

The Basic Exterior Firefighting Operations (BEFO) will provide training to individuals committed to serve in the fire service but are unable to commit or qualify for interior structural firefighting status. BEFO will provide training in tool and scene safety, fire behavior and development, PPE, communication and IMS principles, public life safety initiatives, fire extinguishers, hose practices, water supply, hose and nozzles, ground ladder operations and ropes and knots. The BEFO course utilizes the IFSTA Essentials of Fire Fighting and Fire Department Operations 6th Edition to assist in accomplishing the course objectives

FOR: New firefighters or fire department personnel who, for whatever reason, will not be classified as an interior structural firefighter.
