

Sedlack's Auto Body *Monticello, NY

Overview: Sedlack's Auto Body is seeking an **Auto Body Technician** in Monticello.

The Auto Body Technician is responsible to repair and restore damaged vehicles.

This is a labor intensive position, which requires refinishing repair surfaces by sanding, buffing, and applying paint and sealants. Replace auto parts that caused malfunctions or were damaged in accidents. Determine the extent of damage and estimate the cost of repair. Test the engine performance and safety of the vehicles after repairs are made. Communicate both Verbally and Written with customers, estimators, and parts associates to provide efficient and pleasant service. Observe safety regulations and manufacturer standards in the repair process.

Skills required to perform this job;

Knowledge of power tools and using hand tools

Requirements:

Must have Auto Body experience in an Auto Body Shop

Driver's License

Reference Check

6 months' probation

Shift and Salary: This is a Monday-Friday, First Shift, Full-time, Salary is based on experience, starting at \$20 - \$25 hourly. Uniforms provided.

Benefits after 1 year include Paid Vacation, Paid Sick Leave, and Holidays.
