

(a) MISSION STATEMENT

To promote fish and game in Sullivan County and try to make this county a better place for all: to hunt, fish and live. To present sportsmen of Sullivan County and to promote good clean sportsmanship and good fellowship. To secure a means of better understanding and cooperation between our member clubs, the New York State Department of Environmental Conservation, the New York State Conservation Council and the Legislators of Sullivan County.

To further the goals of Conservation education at the adult and youth level through programs and promotional advertising to enhance the attraction of tourism and to develop a public understanding of the problems and advantages of proper conservation practices. To insure the future of conservation through extensive youth education programs.
